VOLUME IX NO. 8

TREVECCA NAZARENE COLLEGE, NASHVILLE, TENNESSEE

FEBRUARY 4, 1953

Sparks, Cockran

Chapel Speakers

Among the outstanding speakers of the week January 19-23, Sammy Sparks and Rev. Cockran highlighted the week. January 22nd the student body and faculty were privileged to hear our internationally known youth speaker, Sammy Sparks. His dynamic personality held the attention of the audience while he spoke on "The Christian Machine," love...the oil; power and a sound mind being the parts. He said he decided long ago a Christian must not let the world get the best of him, recalling the time when in high school a class mate called "Preacher, let's have a prayer meeting." Sammy Sparks promptly asked the boy to bow his head.

His method of presentation, humorous outlook and "Sparkling" personality makes Rev. Sammy Sparks one of the outstanding evangelists of our church today.

On Wednesday of this week Rev. Cockran brought us in accented tones an informational message on the progress of the work of the church in Argentina of which he is the district superintendent. Buenos Aires, the capitol, is the key center. They plan to make other large centers as headquarters also and to radiate out from these into the more rural areas. He brought to us the economic progress of the country, showing how the old customs are rapidly giving way to modern methods. "In five years these old customs will not be found in the country," Rev. Cockran predicted. Rev. Cockran is originally from Georgia but has lived in Argentina for sixteen years.

Valentine Banquet

The traditional Valentine Banquet will be held February 13, 1953 in the College Cafeteria at 7:00 p. m. with the Student Council in charge.

A typical valentine motif will be carried throughout in the decorations and in the program.

An excellent meal is to be served and everyone is urged to attend.

Prof. and Mrs. Galloway Entertain At Breakfast

Professor Claude W. Galloway's freshman orientation group was entertained at an informal buffet breakfast on January 11, at 8:00 a. m., at the home of the Galloways on Nance Lane.

Doughnuts and coffee were the main items on the menu, served buffet style to the group.

The breakfast, being on an informal basis, gave time for discussion on topics of interest to the group.

Those in Professor Galloway's counseling group are Barbara Cole, Violet Coulter, Sarah Cypert, Geneva Franz, Gracie Guseman, Bob Hamilton, Nina Hart, Hazel Miles, Donald Severn, Brentson Spruill, Howard Spruill, Audrey Sweeney and Lee Yarbrough. Those who overslept this Monday morning missed a good time at food and fellowship.

Seniors Lead In

All School Project

At the beginning of the quarter all classes voted to make our class project an all-school one.

Trying to meet the standards necessary for accreditation, the entire school has focused its attention upon our needs in the library.

Each class has been given a quota. A chart of each class' progress has been placed in the lobby of the McClurkan Building.

Have you observed this chart lately? Well take notice. The College Senior Class has ten books on the shelf which means one-hundred dollars.

Congratulations, Seniors, on your excellent beginning. We challenge the other classes to begin to add books on their class shelf.

Richardsons Entertain Orientation Group

The students of Professor Richardson's Orientation Class were entertained at the home of Professor and Mrs. V. Neil Richardson on Nance Lane, Tuesday, January the 27th, during the noon hour.

Each one present enjoyed the delicious Italian Spaghetti Dinner. After the meal the group discussed plans for an Orientation program

Benson Lectures To Be February 16 - 20

Dr. Samuel Young, General Superintendent of the Church of the Nazarene, is to be our speaker for the annual John T. Benson Lecture Series which will be February 16th through the 20th.

General Superintendent Young is an outstanding personality in our church organization and well qualified for this occasion. He will be speaking each evening in the Alumni Auditorium at 7:30 p.m. as well as in our regular morning chapel services.

Why not plan now to attend each service? Let us take advantage of every opportunity which Trevecca affords us for educational and spiritual growth.

T. A. A. Sponsors

Dr. I. Q. Program

Vast fortunes in shiny new pennies and marvelous prizes were carried away from the T.A.A. program Friday night, January 23, 1953. The program, in the form of a Dr. I. Q. quiz show, was held in the McClurkan Auditorium.

Eugene Williams, president of the association, portrayed the role of Dr. I. Q. so well that it was a simple matter for the audience to imagine themselves in Radio City in the company of the famous doctor himself. Grant Browning was the radio announcer of the program. The 'G. A. A. Harmonettes' were guest stars of the program. This ladies' trio, consisting of Justine Rushing, Patsy Decker, and Kathleen Pope, captivated their listeners with their interpretation of "The Syncopated Clock."

Laurie Murray, Clarice Spruill, Grace Guseman, and Brentson Spruill were ushers for the evening's fun.

and Professor Richardson spoke to them concerning loyalty to Trevecca.

The members of the class who attended were:

VIRGINIA ARNOLD, CAROL ASBURY, JOYCE BLACKMON, BILLY DAVIS, CAROL MURPHY, ROBERT PERRY, CAROL POLING, CALVIN PRIVETT, and DWIGHT RAGSDALE.

Nashville Churches Have Revivals

REV. & MRS L. B. MATHEWS

The spirit of revival is flowing wide this week. In commemoration of Youth Week six of our Nazarene Churches have sponsored revivals.

Among the churches were Calvary Church with Rev. Sammy Sparks; Grace Church with Rev. Phil Storey; Immanuel Church with the pastor, Rev. Jesse Mathews, preaching. The Meridian Street Church with Rev. William Peck, and McClurkan Memorial with Rev. K. W. Phillips as evangelist.

A Trevecca student, Joe Jones, held a revival at the Second Avenue Mission.

The revival on the campus has been a great success. College Hill Church sponsored a revival with Rev. L. B. Mathews.

Rev. Mathews delivered the morning message in chapel every day during the Youth Week. We were greatly helped by the daily tide of revival, spiritual, and inspirational chapel services.

Revival is the time of spiritual awakening and spiritual progress. The many revivals have shown us that our work in evangelism is spread over a broad field, and is spreading. Let us keep the revival fires burning the rest of this quarter.

Love Thy Neighbor

One of the greatest teachings of the greatest teachers that ever lived, JESUS, is the most neglected today by all peoples, "Love thy neighbor as thyself."

One day as the Master taught the multitude, a certain lawyer stood boldly to his feet in defiance to the teachings of JESUS. He asked the greatest question ever asked, "Master, what shall I do to inherit eternal life?"

Christ, in His quiet, undisturbed manner, answered, "What is written in the law? How readest thou?"

The lawyer, being well trained in his field, knew the law and replied, "Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength and with all thy mind; and thy neighbor as thyself."

JESUS answered, "Thou hast answered right: this do; and thou shalt live." But the lawyer was not easily conquered, "Who is my neighbor?"

Then JESUS proceeded to teach by parable. He told how a certain man, a Jew, who journeyed down from Jerusalem to Jericho had fallen among thieves. He was robbed, badly beaten, and left to die by the wayside. By chance a certain priest came down that way and when he heard the cries of the dying man, he pulled his robes

about him and passed on the other side. Likewise, a Levite passed that way but only scorned him and left him to die. But another man chanced along who was a Samaritan, hated by the Jews. And when he saw him he had compassion on him and lent a helping hand in time of need.

When JESUS had finished His parable, He asked, "Which of these three, thinkest thou, was his neighbor?" The lawyer replied, "He that showed mercy." "Go and do thou likewise," was the final reply.

Today there are people all about us who are suffering and dying because they have fallen into the hands of satan. The people whom we pass on the street, to whom we minister in Christian work and even on our campus are carrying heavy hearts. What do you contribute to their lives? Do you greet them with a warm smile to brighten their lives or do you just pass with a grim expression? Look up, be friendly, smile—the stranger you meet today may be your closest friend tomorrow.

Lend a helping hand. Speak to someone who is troubled and discouraged and point them to the Lamb of Calvary who "is a friend that sticketh closer than a brother."

"I think it's fish, Bruno, got C O D marked on it!"

Well, here we are once again to let you in on some of the latest chatter.

Christine Campbell, Sam Jones; Wanda Naff, and Joe Jones have

been dating quite a bit recently. Good going, kids???

The other day I overheard a group of girls discussing the all important subject of "MEN" and "LOVE". One girl said the TROUBLE with too many girls is that they fall in love with too many different guys. **Betty Barnett** answered, "I wish I could have some TROUBLE then".

Larry Smith and **Sarah Jones** really make a darling couple, don't you think????

Bill Gadd, Jack Severn, and Robert Billups seem to have very special interest in three lucky girls at Grace church.

We've really been enjoying the boys' basketball games, haven't we, girls? Some of the chicks seen in the cheering section on Tuesday were **Grace Guseman, Fran Winder, Norma Carpenter, Mary Driskell, Marilyn Williams, Nadine Evans, Lib Stucki, Clarice Spruill, Esther Ray Rodgers, Justine Rushing, Betty Jewell, Linda Hampton, Peggy Dodd, and others.**

Wanda Cruse seems especially happy these days. Maybe **Wendell Smith** could be the reason

Ask **Betty Barnett** about her secret engagement? C. H. ? ?

FOR BOYS ONLY:

The time of the Valentine Banquet is drawing nigh. I think it would be wonderful this year if ALL of you fellows would get a DATE and really make this Valentine Banquet a big SUCCESS. I know it would thrill the girls; so come on now...Let's surprise them? How about it...Fellows???

Seen at College Hill Church recently were **Nathalene Lowrey** and **Willard Brinkman**, a new couple, but a good one!

Johnny Price seems pretty contented these days. **Bethany-Peniel College** must still hold some attraction for him???

Have you heard the latest about **Paul**? We hear **General Schurman** made a recent march through Georgia. How about this, **Mary Driskell**???

Ginny Arnold seems to have her eye on a tall, handsome guy. I believe his initials are H. E., aren't they, **Ginny**????

Ben Speer really looked happy

Personality Parade

Patsy Decker

Patsy is one of our talented, brown-eyed high-school juniors. Her parents thought she was a dandy baby back on December 13, 1936, and they have every right to believe that she is a wonderful daughter now. She has been reared in the Nazarene Church and has been a member of Nashville First for three years. She is an active member in the N. Y. P. S. and the Dorothy Davis Missionary Chapter.

PATSY started to Trevecca in her sophomore year and was asked to join the College a capella choir which gives you an idea of her ability in music. Her main interest lies in music (even above the West Virginia one) and she hopes to major in this field after completing high school. She plays the piano and also enjoys singing in a school trio. She hopes that some of her college days will be spent in the Fine Arts Building.

Another leading interest is in the field of sports. Although limited to the playing of soft ball and volley ball, she enjoys watching other games.

PATSY states that the most embarrassing circumstance here at school happened in the typing room. Some good friend placed a broken chair at her typewriter. Knowing **PATSY**, I guess this would prove very embarrassing, Eh, **Justine**?

Larry Smith

If you see a boy going around the campus with his Bible in hand, chances are, it is **LARRY SMITH**. His favorite Bible verse is "Therefore if any man be in Christ, he is a new creature; old things are

the other day. Could it be because **Martha Watts** was visiting on the campus????

It's time to go again, so until next time...Be Good!!!!

I Love The Paper

I love the paper
I thank it's swell.
On Friday afternoons
I run pell mell
To get my copy
And read each line.
The stories and columns
I think are fine.
I laugh at the jokes.
I read all the ads,
I note all the news,
I take up the fads,
When I praise the paper
I scorn those who laugh.
I'm really most loyal—
I'm on the staff.

passed away; behold, all things are become new." IICor. 5:17. **LARRY** was born in Nashville, Tennessee January 16, 1936, but was truly born again January 11, 1953. He can tell you the time and the place when this miracle happened.

When asked his classification in high school he replied that he was a sophomore but "trying to be a junior." A love for school has come since he has been saved and sanctified for he was not satisfied with life before.

LARRY has brown hair, and it is hard to decide about the color of his eyes. When discussing the color of his eyes he grinned mischievously and said, "I have all my teeth too."

LARRY has been helping with the Christian work that the Trevecca students do on week-ends. He has gone to jail services and rest homes. He is planning to be a minister of the gospel and has already led five souls to Christ in these few weeks.

He feels that Trevecca College is the best place on earth. "I am going to do everything I can to keep the standards high and let people know the Lord is here."

WEAVER DOUGLAS (S. S. Supt.) EUGENE ADAMS (Choir Dir.)

Never in the history of dear old T. N. C. has there been a basketball season like this year. This is the first time things have been so well organized and gone off smoothly. Congratulations to everyone taking part.

Say! have you seen those uniforms the boys have? The Wild Cats are Wearing screaming red pants and glistening white jerseys with red numbers and letters. They are really sharp! The Lions are wearing bright yellow pants and blue jerseys with red numbers and letters. The Cougars are wearing blue pants and white jerseys with That leaves the Panthers—the loop's top team. They are wearing black pants and gold jerseys with black letters and numbers (we hope). The colors are really adding to the teams.

No! that wasn't a zebra you saw at the last game. It was the official — sporting a new striped shirt

For the hot shots in the basketball race keep your eye trained this way.

Panthers Edge Lions

The Panthers rallied in the closing minutes of a game full of thrills and spills to edge by the Lions 26-24.

The game see-sawed through all four quarters with each team holding a slim lead at different intervals. But the outcome seemed more certain when Capt. Evans of the Lions fouled out in the third quarter.

Heaberlin led the Panthers with 8 points. Outstanding for the losers and also high scorer was "Big Red"

Jumping for the toss-up are Paul Schurman and Jimmy Herndon in the basketball game played January 27 at the Lucy Holt Memorial Gymnasium between the Panthers and Cougars. Reading clockwise are: E. C. Rose, Bill Lancaster; Elmer Heaberlin, Bob Bledsoe, Harold McCue, Referee, Grant Browning, and Billy Galloway.

Panthers Defeat Cougars 48 to 24

The Panthers, led by Capt. Grant Browning, had little trouble in by defeating the Cougars 48 to 24. The Panthers are undefeated thus far.

The Panthers were in the Lead from the first minute of play and used reserves throughout the second half.

Grant Browning was high scorer with 20 points. Also outstanding for the winners was Elmer Heaberlin with 13 points. Bill Lancaster
